**RE: Review and Entry into the Ontario Public Register of Archaeological Reports: Archaeological Assessment Report Entitled, “Stage 2 Archaeological Assessment, Jericho Wind Inc., Jericho Wind Energy Centre, Part of Nauvoo Road ROW Between Hickory Creek Line and Tamarack Line, Lambton County, Ontario,” Revised Report Dated 22 January 2013, Filed by MTCS Toronto Office on 25 January 2013, MTCS Project Information Form Number P366-018-2012, MTCS File Number HD00098**

Dear Erin:

This office has reviewed the above-mentioned report, which has been submitted to this ministry as a condition of licensing in accordance with Part VI of the *Ontario Heritage Act*, R.S.O. 1990, c 0.18.<sup>1</sup> This review has been carried out in order to determine whether the licensed professional consultant archaeologist has met the terms and conditions of their licence, that the licensee assessed the property and documented archaeological resources using a process that accords with the 2011 *Standards and Guidelines for Consultant Archaeologists* set by the

<sup>1</sup> This letter constitutes the Ministry of Tourism, Culture and Sport's written comments where required pursuant to section 22 of O. Reg. 359/09, as amended (Renewable Energy Approvals under the Environmental Protection Act), regarding the archaeological assessment undertaken for the above-captioned project. Depending on the study area and scope of work of the archaeological assessment as detailed in the report, further archaeological assessment reports may be required to complete the archaeological assessment for the project under O. Reg. 359/09. In that event Ministry comments pursuant to section 22 of O. Reg. 359/09 will be required for any such additional reports.

<sup>2</sup> In no way will the ministry be liable for any harm, damages, costs, expenses, losses, claims or actions that may result: (a) if the Report(s) or its recommendations are discovered to be inaccurate, incomplete, misleading or fraudulent; or (b) from the issuance of this letter. Further measures may need to be taken in the event that additional artifacts or archaeological sites are identified or the Report(s) is otherwise found to be inaccurate, incomplete, misleading or fraudulent.

ministry, and that the archaeological fieldwork and report recommendations are consistent with the conservation, protection and preservation of the cultural heritage of Ontario.<sup>2</sup>

The report documents the Stage 2 assessment of the study area as depicted in Figure 2 of the above titled report and recommends the following:

*This additional Stage 2 report details the survey results of the northern section of the Nauvoo Road Right-of-Way (ROW) between Hickory Creek Line and Tamarack Line, Warwick Township, Ontario. The boundaries of the ROW were delineated by shapefiles provided to Golder by AECOM. This section of ROW is illustrated in Figure 2. This section of ROW was found to be previously disturbed and no further archaeological assessment is necessary.*

Based on the information contained in the report, the ministry is satisfied that the fieldwork and reporting for the archaeological assessment are consistent with the ministry's 2011 Standards and Guidelines for Consultant Archaeologists and the terms and conditions for archaeological licences. This report has been entered into the Ontario Public Register of Archaeological Reports. Please note that the ministry makes no representation or warranty as to the completeness, accuracy or quality of reports in the register.

Should you require any further information regarding this matter, please feel free to contact me.

Sincerely,

Ian Hember  
Archaeology Review Officer
