

Legend

- Proposed Siemens Wind Turbine 2.3 MW
- ★ Permanent Met Tower
- Offsite Noise Receptor
- Onsite Noise Receptor
- Vacant Lot Receptor
- Proposed 34.5 kV Underground Electrical Collector
- Proposed 44 kV Overhead Electrical Line
- Proposed 44 kV Underground Electrical Line
- Permanent Access Road, Crane Path and UG
- Permanent Access Road
- Watercourse
- Contour (5m Interval)
- Participating Lot
- Lot Line
- Temporary Construction Laydown Area
- Waterbody
- Wooded Area
- Wetland
- Laydown Area (101 m in Diameter)
- Field Requires Plowing
- 34.5 kV / 44 kV Transformer Substation
- Archaeological Site
- Archaeological Site Setback 20m

1:11,000
