

Legend

- Proposed Siemens 2.221 MW Wind Turbine
- Proposed Siemens 2.3 MW Wind Turbine
- ★ Permanent Met Tower
- Onsite Noise Receptor
- Offsite Noise Receptor
- Vacant Lot Receptor
- Laydown Area (101 m in Diameter)
- Proposed 44 kV Overhead Electrical Line
- Proposed 44 kV Underground Electrical Line
- Proposed 34.5 kV Underground Electrical Collector
- Permanent Access Road, Crane Path and UG
- Permanent Access Road
- Watercourse
- Contour (5m Interval)
- Participating Lot
- Lot Line
- Temporary Construction Laydown Area
- Waterbody
- Wooded Area
- Wetland

1:10,000

Project: **CONESTOGO WIND FARM**

Title: **Proposed Wind Turbines Site Plan (View Frame 2)**
