

**Conestogo Wind Energy Centre
Community Liaison Committee (CLC): Meeting No. 3**

Tuesday, April 30th, 2013

6:30 p.m. to 8:30 p.m.

Alma Community Centre, 41 Elora St. N., Alma

Open to the General Public - for Observation

A Community Liaison Committee (CLC) has been established as a forum to exchange ideas, share information and provide regular updates on the construction, installation, use, operation, maintenance and retirement of the Conestogo Wind Energy Centre ("Facility"). The CLC will not re-visit matters previously raised during the proposal/planning stage for the Facility (e.g. location of the Wind Energy Centre in Wellington County or the subject site, the Clean Energy Act, the MOE's approval process, etc.).

This meeting represents the third of four (4) CLC meetings coordinated and facilitated by IBI Group over a two year period, as mandated by the Minister of Environment's December 8th, 2011 Renewal Energy Approval for the Facility. All meeting materials (e.g. agendas, minutes, presentations, reports, etc.) are available for public review at www.NextEraEnergyCanada.com.

The CLC meetings will be open to the general public for observation. Brief depositions (up to 3 per meeting, at a maximum of 5 minutes each) may be made by members of the general public, providing the depositions pertain to items on the meeting agenda (i.e. the construction, installation, use, operation, maintenance and retirement of the Facility). Depositions will be selected at the discretion of the CLC Chair and the Company, in consultation with CLC members.

In order to be considered for a public deposition, please submit a request and the actual written deposition, at least four days in advance of a planned CLC meeting to Amy Shepherd of IBI Group:

Email: ashepherd@ibigroup.com

Fax: (416) 596-0644

Mail: 230 Richmond Street West, Toronto, ON M5V 1V6
