

# NOTICE OF POSTING TO ENVIRONMENTAL REGISTRY

**Project Name:** St. Clair – Moore Solar Farm

**Proponent:** First Solar Development (Canada), Inc.

**Project Location:** Township of St. Clair: north of Rokeby Line and west of Highway 40

**Dated** at the City of Toronto this 26<sup>th</sup> day of January 2011

First Solar Development (Canada), Inc. is planning to engage in a renewable energy project which requires the issuance of a renewable energy approval. Pursuant to the Act and Regulation, the subject facility is considered to be a Class 3 Solar Facility. If approved, this facility would have a total maximum name plate capacity of 20 MW. The project location is described in the map below.

A proposal for a renewable energy approval respecting the subject St. Clair - Moore Solar Farm project has been posted on the environmental registry referred to in section 5 of the Environmental Bill of Rights, 1993. Comments respecting the proposal may be submitted to the Director. A complete set of project reports and studies have been posted to the First Solar project website at <http://Canada.FirstSolar.com>.
