

NOTICE OF CHANGE TO A RENEWABLE ENERGY PROJECT

Project Name and OPA Number: Bluewater Wind Energy Centre, F-002171-WIN-130-601

Dated at Municipalities of Bluewater and Huron East, Huron County this December 24th, 2013

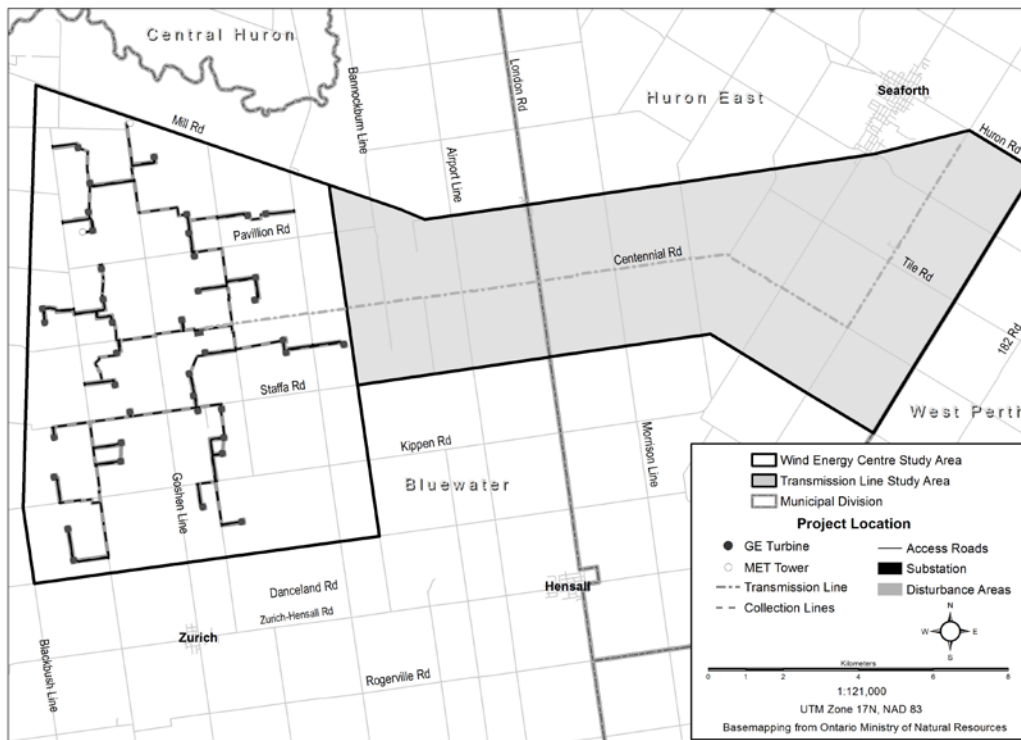

Project Location: The proposed Project is located in Huron County, within the Municipalities of Bluewater and Huron East, as shown in **Figure 1** below.

Varna Wind, Inc., a wholly-owned subsidiary of NextEra Energy Canada, ULC, received a Renewable Energy Approval for the Bluewater Wind Energy Centre on April 22, 2013. The proposal to engage in the project and the project itself is subject to the provisions of the Environmental Protection Act (ACT) Part V.0.1 and Ontario Regulation 359/09 (Regulation).

This notice is being distributed at the request of the Ministry of the Environment (MOE) to advise of recent modifications proposed to the Project design. The following list highlights the proposed modifications.

- Construction disturbance area modified to reduce or eliminate impacts to Conservation Authority regulation limit;
- Infrastructure or construction disturbance area added or changed to optimize project design/constructability; and,
- Changes to REA Conditions of Approval E1. (2) a) and b) and E2. (1) and (2) regarding the timing of and conditions associated with conducting and submitting the Acoustic Audit Report-Immission to reflect NextEra's experience and to be consistent with conditions issued in more recent REAs.

Project Modification Reports in addition to Addenda to the associated Renewable Energy Approval Reports are available for public inspection on the Project Website, www.NextEraEnergyCanada.com.
